RE: PM 1019 Foreign Your file 24799

Dear John:

Your amended claims seem to suffice to provide good protection for the invention. The deletions you propose in the specification are reasonable if they make it more acceptable in EPO practice; this applies also to insertion of "comparative." We are pleased that you have effected savings.

Certainly you may present your revision to our agents in Brazil to be considered.

Very truly yours,

Les

G. Esler Inskeep
